

## City of Belen Public Workshop

The City of Belen Planning & Zoning Commission will be holding a very **important** public workshop at the Belen City Hall Council Chambers at 6:00 pm, Tuesday, July 18, 2017. This workshop is to present and obtain public comments and recommendation for the addition of **Section 17.54.060 - Fencing & Walls** to **Chapter 17.54 – Landscape Regulations** of the City Zoning Ordinance. The Planning & Zoning Commission is working on very significant changes to the Landscape Regulations, including the addition of the **Fencing & Walls regulations** that are intended to establish a uniformity of landscaping and fencing appearance, materials of construction and to create a general front yard harmony of one building with another in relation to the street.

This is a **very important workshop** and we strongly encourage your attendance. This proposed change to our Zoning Ordinance is the beginning of additional changes to occur. Changes that will establish the appearance of Belen streets and neighborhoods as part of revitalizing our Community and retaining present and attracting new residents and businesses. **Get involved with Belen's future and Bring along a Friend to participate. This is your chance to make a difference.** For this ordinance to be of significance and create a positive impact to the City of Belen, we need your comments and suggestions. **Please get involved in setting the future of Belen.**
