In the Business Plan there is a letter from Mike Belew which indicates their desire to get this project funded. Mike’s Firm averages 250 million dollars a year. Ameris is still looking for top specialist in Albuquerque. The hospital will have an ER, surgery, diagnostics with MRI and CT SCAN, X-Rays, Physical Therapy and a Respiratory Therapy. Councilor Frank Ortega asked what is being done for promotion. Frank replied that he would leave the poster boards of the hospital design to be used.

DISCUSSION WITH POSSIBLE ACTION
APPROVAL OR DISAPPROVAL OF THE ECONOMIC DEVELOPMENT PROJECT APPLICATION SUBMITTED BY AMERIS ACQUISITIONS, LLC: STEVEN TOMITA, P & Z DIRECTOR
Steve informed the Council that the applicant, Ameris submitted all the required documentation for the Economic Development Project. Steve reported that Ameris noted 391,000 in their financial statements, so they have adequate monies to cover the cost of the land that they are proposing to buy for $100,000. Steve mentioned that the sale of land up to 99,999 will go to the Board of Finance; if it’s a 100,000 it will have to go through State Legislation for approval. Steve informed the Council the reason this has come forth is because Ameris needs to encumber the property as part of its financing for the hospital. The City is not allowed, as a public entity, to allow our lands to be encumbered as long as we owe them. “In order to allow the property in
this case, we will have to sell it”. Ameris has requested the property to be sold at a discounted rate in order to maximize the financing as a profit. The Committee has found that Ameris is qualified for the economic development project. Steve stated that it is the recommendation from the Committee to the Council to approve the application. The purchase agreement requires Ameris to set forth a time line, criteria and everything that they have to meet. He is asking the Council to authorize the staff to move forward to put together the purchase agreement with that criteria and a Notice of Intent to sell the property to Ameris, which qualifies for the economic development plan under LEDA. He stated that the purchase agreement will come before the Council for review and approval. Councilor Wayne Gallegos stated that he would like to see the revenue made from the property go towards the payment of the land. Roseann Peralta, Finance Specialist agreed the monies should go towards the revenue bond.

Councilor David Carter stated that this also fulfills acceptance of the application to move forward and develop a contract with Ameris for the sale of the property at the offer of $99,999.00. Councilor Carter moved to accept the application packet as submitted by Ameris. Mayor Cordova asked for a second. Councilor Wayne Gallegos seconds the motion. Roll Call Vote:
