The proclamation of the results of the votes cast shall be distinctly announced by an election judge who shall read the name of each candidate and the total number of votes cast for each candidate shown on the printed returns. An election judge shall also read the total number of votes cast for and against each question submitted. During the proclamation, ample opportunity shall be given to any person lawfully present to compare the result so proclaimed with the printed returns. The precinct board may make corrections then and there.

G. When the precinct board is satisfied that the election results have been correctly tallied, an election judge shall complete a separate election return certificate in triplicate on which is recorded the total number of votes cast in that polling place for each candidate and for and against each

K. The county clerk shall break the seal for purposes of lawful investigation when ordered to do so by a court of competent jurisdiction. When the investigation is completed, the voting machine shall again be sealed and across the envelope containing the keys shall be written the signature of the county clerk, unless other provisions for the use of the voting machine are ordered by the court.

B. If the contestee fails to make such a showing, the votes of that entire polling place shall be rejected; provided, that no such rejection shall be made where it appears to the court that the members of the precinct board or municipal clerk ignored the requirements of the Municipal Election Code with the probable intent of procuring the rejection of the entire vote in the precinct.

Once a ballot is officially accepted by the municipal clerk and recorded in the absentee ballot register, it cannot be returned to the voter for any reason.

The municipal clerk shall accept completed official outer envelopes received by mail or delivered in person to the municipal clerk's office by the voter signing the official outer envelope, by a member of the voter's immediate family or by the caregiver to the voter until 7:00 p.m. on election day. In the absence of a court order, after the expiration of the time for election contests, the municipal clerk shall destroy all late official mailing envelopes without opening or permitting the contents to be examined, cast, counted or canvassed. Before their destruction, the municipal clerk shall count the numbers of late ballots from voters, uniformed-service voters and overseas voters and record the number from each category in the absentee ballot register.

C. After 5:00 p.m. and not later than 8:00 p.m. on the Friday immediately preceding the date of the election, the municipal clerk shall record the numbers of the unused absentee ballots and shall publicly destroy in the municipal clerk's office all unused ballots. voting machines used and all absentee voting daily reports. Prior to 7:00 p.m. on election day, the municipal clerk shall deliver any ballots received on election day to the absent voter precinct board and the precinct board shall note the receipt of ballots in the absentee ballot register and on the absentee voter list. On delivery of the ballots, the municipal clerk or his designee shall remain in the presence of the absent voter precinct board until the clerk has observed the opening of all official mailing envelopes, the deposit of all ballots in the locked ballot box and the listing of the names on all of the official mailing envelopes in the absentee voter list. All functions of the absent voter precinct board shall be conducted in the place designated as the absent voter precinct.

### **3-9-11. Handling absentee ballots by absent voter precinct boards.**

A. Before opening any official mailing envelope, an election judge shall determine that the required signature has been executed on the reverse side of the official mailing envelope.

B. If the signature is missing, an election judge shall write "rejected" on the front of the official mailing envelope. The election clerks shall write the notation "rejected -- missing signature" in the "notations" column on the absentee voter list. An election judge shall place the official mailing envelope unopened in an envelope provided for rejected ballots, seal the envelope, write the voter's name on the front of the envelope and deposit it in the locked ballot box.

C. Declared challengers certified by the municipal clerk may examine the official mailing envelope and may challenge the ballot of any absent voter for the following reasons:

- (1) the official mailing envelope has been opened prior to being received by the absent voter precinct board;
- (2) the person offering to vote is not a voter as provided in the Municipal Election Code; or
- (3) the person offering to vote is not a federal qualified elector authorized to vote in a municipal election.

Upon the challenge of an absentee ballot, an election judge shall generally follow the same procedure as when ballots are challenged when a person offers to vote in person. If a challenged ballot is not to be counted, it shall not be opened and shall be placed in an envelope provided for challenged ballots.

D. If the official mailing envelopes have properly executed signatures and the voters have not been challenged:

- (1) an election judge shall open the official mailing envelopes and deposit the ballots in their still sealed official inner envelopes in the locked ballot box; and
- (2) the election clerks shall mark the notation "AB" opposite the voter's name in the "notations" column of the absentee voter list.

E. Prior to the closing of the polls, an election judge may remove the absentee ballots from the official inner envelopes and either count and tally the results of absentee balloting by hand or register the results of each absentee ballot on a voting machine the same as if the absent voter had been present and voted in person. It shall be unlawful for any person to disclose the results of such count and tally or such registration on a voting machine of absentee ballots prior to the closing of the polls.

F. The municipal clerk shall, prior to the opening of the polls on election day, notify the absent voter precinct board in writing whether absentee ballots are to be counted and tallied or registered on a voting machine. The procedures shall be such as to ensure the secrecy of the ballot.

G. Absent voter precinct polls shall be closed at 7:00 p.m. on the day of the election by the absent voter precinct board.

Where voting machines are used to register absentee ballots, such ballots shall be canvassed and rechecked in the manner provided by the Municipal Election Code for the canvassing and recheck of ballots cast on a voting machine; provided, in the event of a contest, voting machines used to register absentee ballots shall not be rechecked, but the absentee ballots shall be recounted in the manner provided by the Municipal Election Code.

At any time prior to 5:00 p.m. on the Friday immediately preceding the date of the election, any person whose absentee ballot application has been accepted and who was mailed an absentee ballot but who has not received the absentee ballot may execute, in the office of the municipal clerk of the municipality where that person is registered to vote, a sworn affidavit stating that the person did not receive or vote his absentee ballot. Upon receipt of the sworn affidavit, the municipal clerk shall issue the voter a replacement absentee ballot.

C. The municipal clerk shall prescribe the form of the affidavit and the manner in which the municipal clerk shall void the first ballot mailed to the applicant.

A. A voter who has submitted an application for an absentee ballot that was accepted by the municipal clerk but who has not received the absentee ballot by mail as of the date of the election may go to the assigned polling place and, after executing an affidavit of nonreceipt of absentee ballot, shall be issued a ballot in lieu of an absentee ballot by the presiding judge, and shall be allowed to mark the ballot.

B. The voter shall place the completed ballot issued in lieu of an absentee ballot in an official inner envelope, substantially in the form prescribed pursuant to Section 3-9-6 NMSA 1978, which shall be sealed by the voter. The official inner envelope shall then be placed by the voter, in the presence of the presiding judge, in an official outer envelope substantially as prescribed for a trans-

mittal envelope or mailing envelope pursuant to Section 3-9-6 NMSA 1978. The presiding judge shall fill in the information on the back of the envelope that identifies the voter by name and signature roster number and contains the printed affidavit that the voter made application for an absentee ballot, which the voter believes to have been accepted by the municipal clerk, that the voter swears an absentee ballot had not been received as of the date of the election and that the voter was issued a ballot in lieu of an absentee ballot, and that the ballot was marked by the voter and submitted to the presiding judge.

C. The presiding judge shall place all ballots issued in lieu of absentee ballots in a special envelope provided for that purpose by the municipal clerk, seal the envelope and return it to the municipal clerk along with the machine tally sheets after the closing of the polls. The sealed envelope shall not be placed in the locked ballot box.

D. The municipal clerk shall, upon receipt of the envelope containing ballots in lieu of absentee ballots, and no later than forty-eight hours after the close of the polls for the election, remove the transmittal envelopes and without removing or opening the inner envelopes, determine:

- (1) if the voter did in fact make application for an absentee ballot that was accepted by the municipal clerk;
- (2) if an absentee ballot was mailed by the municipal clerk to the voter; and
- (3) whether an absentee ballot was received by the municipal clerk from the voter by 7:00 p.m. on election day.

E. If the municipal clerk determines that the ballot in lieu of absentee ballot is valid, that an absentee ballot was mailed to the voter and that no absentee ballot was received from the voter by the municipal clerk, the municipal clerk shall remove the inner envelope without opening it, retain the transmittal envelope with the other election returns and place the inner envelope, unopened, in a secure and locked container to be transmitted to the canvassing board to be tallied and included in the canvass of the election returns for the municipality.

F. If the municipal clerk determines that the ballot in lieu of absentee ballot is not valid because the application for absentee ballot was rejected and no ballot was mailed to the voter, or that a ballot was received from the voter by the municipal clerk not later than 7:00 p.m. on election day, the municipal clerk shall write "rejected invalid ballot" on the front of the transmittal envelope and the transmittal envelope shall not be sent to the canvassing board for counting and tallying. The municipal clerk shall retain the unopened transmittal envelope in a safe and secure manner and shall notify the district attorney in writing of the alleged violation of the Municipal Election Code [Chapter 3, Articles 8 and 9 NMSA 1978]. A copy of the notification to the district attorney shall be sent by first class mail to the voter and to the secretary of state.

G. The municipal clerk shall furnish and shall prescribe the form of the necessary envelopes to be used in accordance with the purposes of this section, and shall take steps to preserve the secrecy of any ballots cast pursuant to this section.
