About us...

Though New Mexico has the highest concentration of PHD's per capita, the overall education of the population is among the lowest in the country. For a community to thrive and an economy to boom, the populace needs to be educated. It all starts with the children.

Libros For Kids began in 2017 out of a desire to help our children become literate. Children and education have been the passion and careers of our founders. We know the best long-term solution to bring positive change to the Albuquerque area is to create an educated populace.

Libros has grown with the addition of several members and volunteers, each bringing their own ties to the Albuquerque community.

How it works...

When a child signs up, they are sent a curated book, once a month, up until they turn 5 years old. Libros for Kids works with Dolly Parton's Imagination Library. We sign the children up. The Imagination Library sends them the books.

The child must reside in New Mexico and must be under 5 years old.

We currently deliver over 1000 books each month to children in need.

You can sign your child up today by filling out the form and sending it to:

How you can help...

As a 501(c)3, your donation is tax-deductible.
We do not need books.

We do not do books drives. The books mailed to children are carefully curated by Penguin Books and the Imagination Library to ensure they are age-appropriate.

We rely on the generous contributions of individuals, corporations, and grants to cover the costs of mailing books. For just \$25 you are paying for a whole year's worth of books to a child in need.
