City of Belen Community Preservation Community outreach Recreational Vehicle Local storage facilities

The City of Belen Community Preservation Department is hard at work keeping the community safe and clean. We recognize that everyone in the city is in a unique situation with concerns to their property. We want to help everyone come into compliance with our city ordinances. We don't however want to create hardships for our citizens in the process. We have compiled a list of local Storage facilities that also are also good resource for our citizens to store their recreational vehicles, that they don't have room to store on their property. Below we have provided our city ordinance following this ordinance we have provided a collected list of local storage facilities to help our citizens.
